

TEAM GENESIS

FARQUHARSON GUTIERREZ

Baltimore, MD

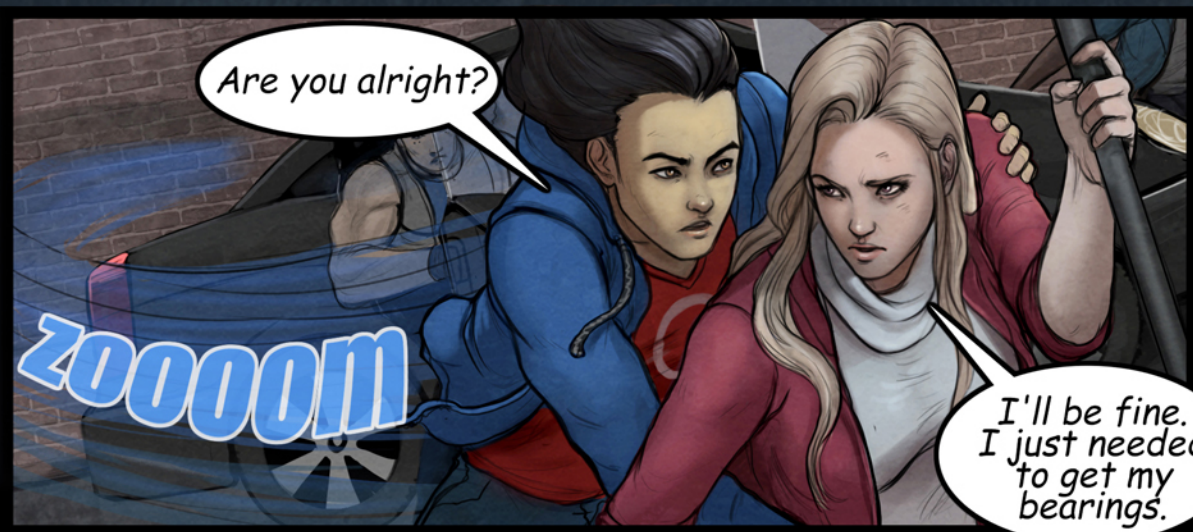

So this is where you guys talk to Grant? Have you ever met him?

THUD

Aaugh...

Are you alright?

ZOOOOM

I'll be fine. I just needed to get my bearings.

I got her. Just take care of the other one.

SHOTGUN!!!

"gasp"

Incredible...

I will see you
all again in
Lebanon

"Department of Homeland Security Headquarters, DC..."

"The room is simply known as 389 and it is just another place where members of the government conduct and monitor investigations and missions that go unnoticed by the population at-large."

What the hell is going on?

"His name is Robert Crane and he is the Undersecretary of Homeland Security National Protection and Programs Directorate. He was appointed by the President to oversee Shaw's Delta Program, the program that uses GHEM's to carry out covert missions for the US government."

We had a minor setback

I was told you lost an asset, vehicles damaged beyond repair, four men killed, and another half dozen wounded. I wouldn't call that exactly minor, Shaw.
